Hamptons Sectional Garage Doors

Features

The Hamptons Collection offers the durability and weather resistant properties of aluminum with the sophisticated appearance of natural wood. The virtually maintenance free Hamptons Collection features commercial grade extruded aluminum stiles and rails mechanically fastened at joints to create a high strength door frame.

4. V-Groove Insulated Aluminum Panels (Optional)
5. Flexible Loop Type Vinyl Bottom Seal
6. Door Frame, EPS Insulation (Standard)
7. 1/8" Clear Tempered Glass (Standard)
8. Aluminum Interior Window Trim
9. Tongue & Groove (T&G) Section Joint
10. Insulated Aluminum Panels (Standard)
11. Extruded Aluminum Design Overlays

TONGUE & GROOVE SECTION JOINT

The 4Ddoors Hamptons Collection door is constructed with precisely engineered Tongue and Groove section joints that utilize an enclosed box type construction with a flexible gasket that reduces air infiltration creating a weather-tight seal.

ENERGY EFFICIENCY

The bottom weather seal keeps out wind, rain, debris and other elements. Optional 3-layer sandwich construction with insulating polystyrene core increases energy savings (R-value 5.6)
